## REPORT OF THE BUSINESS ADVISORY COMMITTEE.

Mr. SPEAKER.—I present the 14th Report of the Business Advisory Committee.

Sri A. R. PANCHAGAVI (Deputy Speaker).—I beg to move.

“That the Assembly agrees with the Fourteenth Report of the Business Advisory Committee.

Mr. SPEAKER.—The questions is:

“That the Assembly agrees with the 14th Report of the Business Advisory Committee.”

*The motion was adopted.*

Mr. SPEAKER.—Before I call upon anybody, I would like to inform the House that yesterday a number of Members felt deeply anxious about the health of our Education Minister. This is the letter which I have received:

“I have already informed you that I am not keeping well. It appears there is a stir in the House about my absence. Members seem to be under the impression that I am going to functions and I am not attending the House. It is not true. I have cancelled all engagements outside. The doctors have advised me that I should take rest for some time. My bronchial system has been affected by the flu. They are not allowing me to attend the Assembly or the Council, as they are air-conditioned chambers and will further hurt my bronchial system. It is true that in spite of my illness I am doing some urgent official work. But, it does not mean that I am in a position to attend the Houses. I am very sorry that I am not in a position to attend the House. The Deputy Minister for Education is in-charge of the questions and she will answer in both the Houses. In some cases a Minister requested by me will also reply to those questions.

I crave your indulgence and of the House as I am not keeping well. I feel that I am entitled to the sympathy of the members due to my illness. I hope the Hon'ble Members will extend their Sympathy to a sick person.”
